LIVING·LIGHT

**bticino**

LIVINGLIGHT.  
ONE SINGLE NAME,  
COUNTLESS  
SOLUTIONS.

**Square, round or thin.**  
**When style withholds your desires, it can have only one name.**

Livinglight lights up the special moments of your life and your passions.  
Enter its world, there is what you are looking for.

LIVING-LIGHT<sup>AIR</sup>

ROUND SHAPE

SQUARE SHAPE

**One single name  
for the highest freedom to combine  
the switches and the shapes that you want.**

We give maximum freedom to your ideas. All of them.  
Freely choose the colour of the switches  
whether you prefer the ROUND SHAPE  
or the SQUARE SHAPE.

**One single name  
for new finishes, new colours  
and unique material effects.**

my life is silk

KRISTALL London Fog,  
anthracite devices

for a bright design that  
lights up your day.**

my life is fusion

**METAL Chrome,**  
white rocker devices

**METAL Ice Gold,**  
anthracite axial devices

**AXIAL DEVICES**  
The innovative design ensures the highest linearity and flatness in the appearance of a light switch.

**ROCKER DEVICES**  
The traditional movement reinterpreted with the new aesthetics.

**REFLEXES**  
The metallic nuances of the shapes that play with the light to beautify your home.

**LED**  
Small lights to always guide your hand and light up all of your spaces.

LIVINGLIGHT AIR.

UNEXPECTEDLY THIN,

INCREDIBLY RICH.

**LIVINGLIGHT AIR Pearl White,**  
white axial devices

**Make your environment unique with the exclusive design of LIVINGLIGHT AIR.**

Choose an aesthetic with quality metallic finishes or with refined decor.  
Enhance your home with the ultra thin cover plate and with the elegant alignment of the new axial devices.

**GOLD MAT,**  
tech axial devices

**RAMAGE,**  
anthracite axial devices

**LAVA,**  
anthracite axial devices

**STRIPES,**  
tech axial devices

ONE SINGLE NAME FOR  
A TECHNOLOGICAL  
EVOLUTION.  
PERFECT FOR ALL  
YOUR NEEDS.  
FOR TODAY AND  
FOR TOMORROW.

**New dimmers suit for any light source, even for those which respect the environment.**

GLOSSY Sunset cover plate

White VIDEO CAMERA,  
GLOSSY Sunset cover plate

ONE SINGLE NAME  
FOR A HOME  
THAT MEETS YOUR  
LIFE NEEDS.  
BECAUSE YOUR  
HOME TODAY  
IS SMART.

**BTicino wrote the book of home automation: let yourself be pampered by connoisseurs.**

With Livinglight, leisure, entertainment and safety are always at your commands.

**One single name  
that embraces  
BTicino's concept of  
home automation.**

**Simply.**

*my life is domotic*

## SAFETY

Presence detector alarm and video surveillance camera.

The gas detector allows you to monitor the safety of your home at all times and reports any gas leaks.

## LOCAL AND REMOTE CONTROL

A controlling and safety system for your home that is accessible anytime via personal computers, tablet and mobile.

## COMFORT AND MULTIMEDIA

New devices that enable the ideal setting of the light and the control of background music volume.

## ENERGY SAVING

The Green Switch automatically turns the light off when you leave the room.

Light up only when needed!

New energy socket with the possibility of turning the power on and off by means of a switch.

Stop & Go Salvavita (residual current protection device) for the automatic recovery of electricity in case of overvoltage. Your electrical appliances will keep on working!

TOUCH SCREEN,  
SILK Square cover plate

LOCAL DISPLAY,  
SILK Square cover plate

LIVINGLIGHT.  
SHAPES THAT  
MARRY WELL WITH  
ALL FUNCTIONS  
AND FINISHES.  
A PERFECT  
COMBINATION.
